

## **Audition Sides - Junie B., Grace, Bobbi Jean, Mr. Woo, Herb**

### **SCENE THREE**

---

**START**

**JUNIE B.**

Last year, I had two bestest friends. First, I had Lucille. Plus, I also had that Grace. Me and that Grace rode the school bus together every single day. Only too bad for us. Because this year, Grace got put in a different room than me. And that was not even fair. But on the bus, we could sit next to each other, just like we always did!

*(GRACE and BOBBI JEAN PIPER enter, plopping down on a bus seat together. JUNIE B. taps GRACE on the shoulder.)*

Grace... Excuse me, Grace... what kind of shenanigans do you call this, madam? Didn't you see me sitting here?

**GRACE**

Yes, hi, Junie B. I'm sorry I can't sit with you. But I promised Bobbi Jean Piper I would sit with her today. Okay?

**JUNIE B.**

No, Grace. Not okay. You can't sit with Bobbi Jean Piper. You and I have to sit together every single day. Cause we sat together every day last year. And this year shalt be no different!!

**MR. WOO**

Sit down, please, Junie B.

**BOBBI JEAN**

You got yelled at!

**JUNIE B.**

Grrr. Bobbi Jean Piper. Grrr.

*(We hear laughter from the seat behind JUNIE B. HERB's head pops up.)*

Who's laughing at me during this very terrible crisis? Herb!!

**HERB**

You said, "grrr." Ha! That was a good one!

*(JUNIE B. storms to his row.)*

**JUNIE B.**

Yeah, only here's the problem, Herbert. Grrr is not actually a joking matter. Plus, I wasn't even talking to you.

**HERB**

I know you weren't talking to me. No one on this bus ever talks to me. That's because last year I went to a different school. So I don't have any bus friends yet.

## Audition Sides - Junie B., Grace, Bobbi Jean, Mr. Woo, Herb

### **JUNIE B.**

Well, I used to have a bus friend named Grace, but today I am dropping her like a hot tomato.

### **BOBBI JEAN**

You mean potato.

### **JUNIE B.**

Bobbi Jean Piper wears a diaper!!!

### **MR. WOO**

Sit down, Junie B.!!!

*(JUNIE B. plops back down in her seat, frustrated. HERB approaches JUNIE B.)*

### **HERB**

Maybe, just for today, I can sit here. Just until you get your bus friend back, I mean.

**END**

---

*(#7 - YOU CAN BE MY FRIEND begins.)*

## **YOU CAN BE MY FRIEND**

*(JUNIE B. and HERB stare straight ahead.)*

**Legato with a groove**

If you want to sit here, I sup -

pose that that might be al - right.——
