

DADDY

Please don't say hate, Junie B.

JUNIE B.

But I was going to be the star of the whole thing.

MOTHER

Honey, no one can be the star all the time.

JUNIE B.

But everyone will be cheering and clapping, and none of that cheering and clapping will be for me!!! And I hate that. I hate it, I hate it, I hate it!!!

DADDY

You are getting very close to a time out, Junie B.

JUNIE B.

I hate time outs!!!!

(JUNIE B. pauses, catching her mother's eye.)

...And so I will stop that behavior this instant, missy!!!!

DADDY

Look, I know it's no fun that you can't play on the team this time. But when life hands you lemons, you have to learn to make lemonade.

JUNIE B.

Huh? What's lemonade got to do with this?

(#23 - WHEN LIFE GIVES YOU LEMONS begins.)

WHEN LIFE GIVES YOU LEMONS

DADDY: It's a saying, Junie B. When life gets a little sour, you need to learn to sweeten it up a bit.
JUNIE B: Yeah, right.
